To Whom It May Concern,

I have had the pleasure of teaching Adilene Rojas for almost two school years at Coalinga High School. She was my student in Web Page Design and Web App Development, where she performed well and met course expectations.

During the time I have worked with Adilene, I have learned that she is hard-working and dedicated. The quality of her work is consistently strong, and she completes assignments responsibly and on time. I find Adilene Rojas to be reliable, self-motivated, and able to work well both independently and with others.

In addition, Adilene demonstrates good character in the classroom and is respectful toward peers and staff. She is willing to assist classmates when needed and contributes positively to the learning environment.

I believe Adilene is capable of succeeding academically and will be an asset in future educational or extracurricular endeavors. I recommend her without reservation. If I can be of further assistance, please feel free to contact me at 559-935-7520 or mchagoyan@chusd.org.

Sincerely,
