Dear Hiring Manager,

My name is Adilene Rojas, and I am writing to express my interest in opportunities with your company. As a junior in high school, I am eager to gain experience, develop my skills, and contribute positively to a professional environment.

I am a responsible, dependable, and hardworking individual who takes pride in completing tasks efficiently and correctly. I have strong communication and problem-solving skills, along with the ability to stay organized and manage my time well. I work effectively both independently and as part of a team, and I always maintain a positive and respectful attitude. I am someone others can rely on, and I take initiative when needed.

Although I am still building formal work experience, I have gained valuable skills through volunteer work and personal responsibilities. I have experience serving food, maintaining clean and organized spaces, and caring for children ages five and under for extended periods. These experiences have helped me develop patience, responsibility, and adaptability. In school, I stay committed to my studies and continue to build skills that will prepare me for future opportunities.

My goal is to continue growing both academically and professionally by gaining real-world experience and strengthening my work ethic. I plan to pursue further education after high school and build a career where I can make a positive impact while continuing to learn and improve.

Thank you for your time and consideration. I would appreciate the opportunity to contribute to your team and look forward to hearing from you.

Sincerely,
Adilene Rojas
